€6.1m

Total investment from Sport Ireland Tranche 1 2022 Dormant Accounts

The majority of the investments are going to the LSPs: **€4.7m**

Through the network of Local Sports Partnerships, we have made a **€414K** investment in **Volunteer Training & Supports** and a **€201K** investment in **Youth Leadership**. Furthermore we have made an investment of **€200k** into **Get Girls Active**. These investments will continue to build upon the work currently being done to support and develop volunteers and leaders, as well as creating avenues for girls to participate.

€1.6m

investment in **Community Sport and Physical Activity Hubs** – Among the successful Dormant Account Fund projects announced today are 10 new Community Sport and Physical Activity Hubs, with additional funding for 34 existing hubs.

€250K

investment to support the **Disability Training Framework**, led out and developed by Cara - to further strengthen, and develop supports for people with a disability and reduce the barriers to sports participation.

€500K

investment in **Sports Inclusion Disability Projects** through the network of Local Sports Partnerships – to reduce barriers to sports participation for people with a disability through minor infrastructure development and the provision of equipment.

€401K

investment in **Urban Outdoor Adventure initiatives** through the network of Local Sports Partnerships.

€800K

investment in **Active Cities** – Through the city-based Local Sports Partnerships, this investment will help create, maintain and increase the numbers of citizens, regardless of age and ability, participating in sport and physical activity in their city.

€400K

investment in **Innovation for sports inclusion projects** through our Local Sports Partnerships.
