External Projects

National Governing Body (NGB) Equality, Diversity & Inclusion Fund

The aim of this fund is to support NGBs in delivering projects that address barriers to participation for individuals from diverse communities, regardless of socio-economic background, gender, disability, sexual orientation, and ethnicity. All funded initiatives will support at least one of the five core pillars of the [Sport Ireland Policy on Diversity and Inclusion in Sport](#):

- Change
- Communication
- Access
- Capacity
- Leadership

This fund allows NGBs to build on suitable projects and initiatives that have proven successful in the past. In addition, this fund seeks to build capacity and skills across sport in the area of inclusion.

Disability Training & Education

The Disability Training & Education fund aims to enhance the capacity and inclusivity of sport and physical activity by providing targeted training and educational opportunities. This fund focuses on two key groups:

1. Learners with a disability who are seeking to participate more fully in sport and physical activity.
2. Individuals working directly with people with disabilities, including tutors, leaders, volunteers, and coaches, who play a key role in delivering inclusive sport and physical activity in their communities.

By empowering individuals and organisations with the skills and knowledge to support disability inclusion in sport, this fund contributes to a more accessible and equitable sporting landscape across Ireland.

Get Ireland Running/Cycling/Swimming/Walking

The Get Ireland Projects align with Actions 43 and 45 of the National Physical Activity Plan, which focus on promoting physical activity across communities and enhancing participation in key sports.

- Action 43 focuses on the “rollout of a new Active Communities Walking Programme in all LSP areas and support over 500 new active community walking groups around the country under the Get Ireland Walking initiative.”
- Action 45 aims to “develop a physical activity for health culture in Ireland through the development of new Get Ireland Running, Get Ireland Cycling, Get Ireland Swimming initiatives.”

Dormant Accounts Funding has supported these programmes from 2016 to 2023, and the 2024 funding will further enable the continued growth and expansion of these initiatives throughout 2024 and 2025.

These allocations support Action 5 of the National Sports Policy 2018-2027, which prioritises sports such as swimming, cycling, and running to foster higher levels of active participation across all stages of life

In 2024, the focus is on deepening engagement and broadening the reach of these vital programmes to ensure sustained physical activity across communities nationwide.

Cycling Ireland	€150,000
Mountaineering Ireland	€125,000
Swim Ireland	€150,000

Volunteer Supports

In alignment with the Sport Ireland Policy on Volunteering in Sport, this fund aims to increase the number, skillset, and diversity of volunteers within Irish sport.

This funding stream is designed to enhance volunteer engagement within underserved communities and with people with disabilities, fostering more inclusive sports environments. It aims to increase the diversity of volunteers, with a particular focus on underrepresented groups such as women, ethnic minorities, asylum seekers, refugees, and individuals with disabilities, ensuring that volunteers are better equipped to support these communities in sport and physical activity.

The intended outcomes include a greater number and diversity of volunteers, improved volunteer quality, and expanded opportunities for participation in sport, particularly at the community level.

NGB Community Sports & Physical Activity Hubs

The Community Sports & Physical Activity Hubs (Hubs) are designed to bring local communities together and provide a central support hub for clubs and sports organisations. These Hubs offer information, advice, and support on NGB activities to encourage greater participation in sport and physical activity, particularly in disadvantaged areas.

Each Hub is tailored to its community but operates under key principles, such as growing participation, engaging local communities, promoting leadership, and offering a range of sporting opportunities.

Funded Body	Total Awarded
Athletics Ireland	€52,500
Badminton Ireland	€52,500
Cricket Ireland	€52,500
Irish Sailing	€52,500

Internal Projects

Get Ireland Active

Get Ireland Active is an online public website and stakeholder hub with comprehensive information on all sport and recreation facilities across Ireland. Get Ireland Active is recognised as a nationally important project that will increase physical activity levels and improve planning, funding and management of sport and recreation amenities in Ireland. Moreover, it will facilitate many national policies across sport, health, data and national development. With the launch of the website and the app for mobile users, work is beginning on translating the systems into Irish and implementing an extensive national communications campaign.
